Non-Piercing Earrings

While all our earrings are hypoallergenic and suitable for sensitive skin, certain materials and sizes **are not advisable for initial piercings.**

The earrings featured in this non-piercing catalog are **specifically recommended for use on piercings that have already healed.**

✦ Extra Love & Care ✦

At Tindik Indonesia we curate our earrings to be the highest quality. **Our Gold Plated**

Earrings are 1-micron thick & we add a

special e-coating to make the plating last much longer than the usual Gold Plated Earrings in the market.
